Re: *Massey v. Bolanos et al.*, No. 20-CV-08592 (LGS) (RWL)

Your Honor:

I am the attorney in the Office of the Corporation Counsel assigned to represent the City of New York (the “City”), Captain Susanna Bolanos, and Deputy Warden Aisha Shannon (collectively, “Defendants”) in the above-referenced matter. Defendants write in response to Your Honor’s April 20, 2021 Order, which directs Defendants to make reasonable efforts to determine the outcome of Plaintiff’s 730 evaluation and to file a letter reporting the results of that inquiry by May 4, 2021.

The Law Department recently learned from the Manhattan District Attorney’s Office that the evaluation report due on April 6 was adjourned to May 4. Given this delay, Defendants respectfully ask for a two (2) week extension—to May 18, 2021—to determine the outcome of Plaintiff’s evaluation and to file a letter reporting the results of this inquiry. This extension will give New York City Health + Hospitals (“H+H”) sufficient time to process and release the information to Defendants.

Moreover, H+H has advised that, since it is not a defendant in the instant action, a court order directing the release of information concerning the 730 evaluation to Defendants is needed. As such, Defendants have enclosed a proposed order for the Court’s review and, should it be found acceptable, endorsement.

Thank you for your consideration of this matter.

Respectfully submitted,

/s/

Mark Toews
